Pictorial collection at the Huguenot Library

Whilst some of the pictures held at the Library are quite old, not all of them are originals. As a consequence, the Library may not be able to provide copies for reproduction purposes or copyright permissions for some of the images listed below. The Library's policy concerning copyright and images is available for consultation on the website, and the Librarian will happily answer any enquiries. More pictorial material (mostly related to crafts and Huguenot buildings) is held in the Subject Folders at the library, and these are listed at the Library. Please contact the Librarian if you are looking for a specific image. Enquiries relating to copyright permissions should be addressed to the Hon. Secretary of the Huguenot Society of Great Britain and Ireland (secretary@huguenotsociety.org.uk).
